

FPSS

Financial Professional Support Services

Fact!

- The typical privately owned small-medium sized business (SME) spends between £5,000 and £25,000 a year on bookkeeping and accountancy fees.

Fact!

- FPSS GUARANTEE saving you between 30% and 50% on bookkeeping and accountancy fees

Fact!

- The majority of SME Owners/managers do not have ready access to management accounts or Key performance indicators.

Fact!

- FPSS can dramatically improve the financial visibility and control of your business.

Giving you a clearer view
of the road ahead

Giving YOU absolute financial control over your business, and the ability to plan for the future.

No nonsense, commonsense advice

FPSS has a dedicated team of qualified and highly experienced professionals that will work with you on a 'pay as you go' basis.

Running a business is tough, particularly when you are making all the key decisions yourself.

We appreciate that, so with FPSS you can 'in-source' our Financial Director services at key times in your business. This might include impartial advice and options on alternative funding, loans or strategic planning for the future.

NOT JUST FINANCIAL

If your issues are not financial - perhaps you need advice on sales & marketing to help you grow the business, or help to streamline your processes....

No problem - we have experienced executives practiced in all areas of business who can help you grow your business to the next level. Again on a 'pay as you go' basis Just ask!

Whatever your business dilemma FPSS can be there for you!
